1. Defendant agrees to:
 - a. plead guilty to Count 2 of the Superseding Indictment;

 - c. make a judicial confession to the crime charged and sign a stipulation of factual statements all contained in a contemporaneously filed or previously filed "Stipulation of Fact";

2. The Government:

- a. will move to dismiss any remaining counts of the Superseding Indictment at the time of sentencing;
- b. if the Court determines that Defendant qualifies for an adjustment under Section 3E1.1(a) of the United States Sentencing Guidelines, and the offense level prior to operation of Section 3E1.1(a) is 16 or greater, will move under Section 3E1.1(b) for an additional one-level reduction because Defendant timely notified authorities of his or her intent to plead guilty, thereby permitting the United States to avoid preparing for trial and permitting the United States and the Court to allocate their resources more efficiently.

If the Defendant is not a citizen of the United States of America, a plea of guilty may result in removal from the United States, denial of citizenship and denial of admission to the United States in the future. If the Defendant is a naturalized United States citizen, a plea of guilty may result in denaturalization.

This document states the complete and only Plea Agreement between the United States of America and the Defendant, and is binding only on the parties to this Agreement, and it supersedes all prior understandings, if any, whether written or oral, and cannot be modified other than in writing and signed by all parties or on the record in Court. No other promises or inducements have been or will be made to the Defendant in connection with this case, nor have any promises or threats been made in connection with this plea.
